

Since 2012, Dr. Eric J. Nach, Developmental and Behavioral Specialist, and his team of professional counselors and educators have been empowering students and their families at the Support for Students Growth Center in Boca Raton, FL and in the surrounding area.

The TEAM empowers children, teens, and young adults with emotional, social, behavioral and/or educational needs by providing the services schools just can't provide. Dr. Nach and his wife Paula, the office manager, are the proud parents of Daisy, an English Teddybear Golden Doodle who is a "Certified Therapy Dog". Daisy is always on-hand to lend a helping paw.
